College 101 Seminar

- Can be added to the Take- Off Senior Level package or purchased as a stand-alone service

Preparation

1. In this course, we will explore various topics related to the transition from high school to college. We will touch on several subjects related to the overall financial, social/emotional, and academic well being of a student. At the end of this course students will successfully be able to define what a college degree means for them, identify resources of support on the university level, and understand the process of successfully enrolling at the college of their choice. All sessions held virtually as of now.
